IMPEL:

- Ondersteunt implementatie in LS !
- Beïnvloedt de EU-Cie !

Nederland

- Input in NL kwaliteitscriteria ?

European Union Network for
the Implementation and Enforcement
of Environmental Law

<http://www.impel.eu/>

The screenshot shows the IMPEL website in a Windows Internet Explorer browser window. The browser's address bar displays "http://www.impel.eu/". The website header features the IMPEL logo and the text "European Union Network for the Implementation and Enforcement of Environmental Law". A navigation menu includes "HOME", "ABOUT IMPEL", "WORK PROGRAMME", "PROJECTS", "NEWS", "DIARY", and "LIBRARY". Below the menu, there are three clusters: "1. PERMITTING, INSPECTIONS & ENFORCEMENT", "2. TRANSFRONTIER SHIPMENT OF WASTE", and "3. BETTER REGULATION". The main content area is titled "WELCOME TO IMPEL" and contains a paragraph describing the network's mission. Below this is a large image showing industrial workers and a hand holding a pen. The "Latest news" section is divided into "General" and "Cluster 3" categories. The "General" section has a headline "Temporary arrangements for IMPEL Secretariat" dated 29 Apr 2010. The "Cluster 3" section has a headline "Big interest in Cluster 3 meeting in Italy" dated 14 Mar 2010. The right sidebar contains "Upcoming Events" with entries for "Project Team Meeting IRI Slovenia" (15 June) and "Project Meeting Project Energy Efficiency in permitting and inspection" (16 June). There are also sections for "project meetings", "Latest reports", and "Key Highlights". The footer includes "National Websites", "Main Navigation", and "Helpful stuff". The browser's taskbar at the bottom shows various icons and the system clock indicating 22:04 on 17-6-2010.
